LEADERSHIP

Mr. Venkat Muriki is the Founder and Director of Excellencia Junior Colleges and CBSE schools.

He is a remarkable leader and a seasoned educator who brings with him a wealth of 23 years of expertise. Mr. Venkat holds a Masters in Chemistry from Hyderabad Central University. It was his passion for education that motivated him to establish Excellencia with a vision to provide a caring and enlightened environment in which the talents of each individual flourish.

He is of the firm conviction that a sound education, imbued with values, will alone mould students into worthy global citizens and conscientious students who will transform the world and make it a better place. Today, his vision of SARVATRA SYAT VISHISHTATHA (Excellence everywhere and in everything) has expanded multi-fold with a chain of ten junior colleges and 2 CBSE schools, duly recognized as the premium residential junior colleges of Hyderabad, with more than 5000 students and 700 employees aiming for the best career paths blended with a spectrum of academic, sporting, and cultural excellence to boost students' educational experiences to meet the demands of the global community.

Away from the lecture halls and administrative duties, Mr. Venkat Muriki finds solace in the rhythmic stride of marathon running.

Cycling is another avenue where he channels his passion for fitness.

His commitment to fitness serves as a living example, inspiring both students and staff to embrace a healthy lifestyle.

With a keen eye on the future, Mr. Venkat Muriki and his team have shouldered the responsibility to prepare the students for the ever-changing landscape of the world and navigate the challenges of tomorrow.

His dedication to staying ahead of educational trends and embracing technology underscores a commitment to excellence, making him a driving force in shaping the future of education.

SPECIAL MENTION
THE SCHOOL FOR COMMENDABLE CONTRIBUTION FOR CHANGING THE EDUCATIONAL SYSTEM IN HYDERABAD

LET'S DIVE DEEP INTO

DIFFERENTIALS...

Academics

Ten years of commitment towards academic excellence and the only college in the state that facilitates the interaction of parents with the teaching staff and also helps them seek college reviews from our parents, who have enrolled their wards in the recent past, during the orientation and admission process.

UNIQUE, COMPREHENSIVE STUDY MATERIAL, DESIGNED EXCLUSIVELY FOR EXCELLENCIA, UNBEATABLE!

We've developed our own study materials, crafted and curated by subject specialists who bring in 20-25 years of functional experience in producing the top India ranks and worksheets, which help every child improve his concepts and problem-solving skills along with time management. This unique approach ensures that learning is not only simplified but also tailored to meet the diverse needs of our students, fostering a comprehensive and effective educational experience.

FACULTY INTEGRATION SESSIONS

Excelsior Junior College takes pride in conducting FIS at all junior college branches and CBSE schools for prospective parents. This unique facility provides a platform for parents to meet and interact with faculty members and attend orientation programs for the admissions process. Parents also get an opportunity to interact with existing parents and students for greater transparency in the system.

THE SUCCESS GAP CONCEPT:

It helps in analyzing the performance of the students in a test by identifying the strong and weak areas. It is the difference between the marks scored by a student and the marks he or she should aim for to qualify for the examination.

PAPER DISCUSSION AND ERROR ANALYSIS AFTER EXAMINATION

Paper discussion and error analysis help overcome gaps for learners and address issues like lack of knowledge concepts, inability to understand the question, incomplete calculations, etc. with guidance and support from the faculty.

HOME WORK ANALYTICS

Limited home work with online support is given four days a week, and the child is expected to submit the same by evening. Homework analytics helps the child identify his or her mistakes and boosts his performance and confidence before the exam. We are the only institute across India to implement this performance enrichment method.

NO TUITION POLICY

We adhere to a "no tuition policy." This initiative will help children spend more time on informal subject skills with no conflict in concepts, and it will also save the mental stress on the child and the additional parent expenditure.

WORK SESSIONS BY SAME FACULTY WHO TEACHES THE CORE SUBJECT IN THE CLASSROOM

Doubt clarification and work sessions by teaching faculty bridge the learning gaps and enable better communication between the mentor and mentee. It also helps the faculty evaluate their own teaching process and ensure better teaching strategies to overcome the learning gaps.

LOWER CLASS STRENGTH OF 50 STUDENTS PER SECTION

It facilitates personalized insights, attention, and support for each student and thus ensures focus on individual strengths and weaknesses and tailors teaching according to their needs. Teachers can facilitate better teaching and learning processes, focus on the quality of instruction, and ensure the attainment of target scores. Students benefit from interacting with faculty and peers in small groups.

STUDENT MENTORING AND REMEDIAL CLASSES BY SENIOR FACULTY

Senior faculty shoulder academic responsibilities themselves and ensure daily monitoring and individual attention with a focus on remedial classes for every child. Remedial classes are conducted after class sessions for individual students who require special attention or individualized instruction for a better understanding of the subject matter taught during regular classes.

CHILD WELL-BEING BOX

With the vision of our director, Mr. Venkat Muriki, to ensure the mental well-being of every child on campus, we have initiated the "Child Well-Being Box" to understand our students and address their emotional and academic concerns.

STUDENT WELL-BEING OFFICERS

Student Well-Being Officers provide assistance, guidance, and a compassionate ear to ensure a positive and nurturing academic environment. Students can feel free to reach out to them for any well-being concerns or support they may need during their academic journey.

COMPREHENSIVE COVERAGE OF IPE

A comprehensive IPE program provides more detailing and focus on concepts.

BI-MONTHLY PARENT-TEACHER MEETING

Students at intermediate levels generally face many issues due to hormonal irregularities, affecting their behavior patterns. Parent-teacher meetings facilitate discussions between parents and educators on the academic targets as well as the social, emotional, and health issues affecting their behavior and conduct.

PARENT - STUDENT FEEDBACKS

- Regular fortnightly feedback from parents over-telephone calls are initiated by a dedicated team from the corporate office.
- We also initiate faculty feedback from students collected personally by the corporate team in every branch to address immediate academic concerns.
- Suggestion boxes are also placed in every branch for students to share anonymous feedback, if required, on any pressing issues affecting student performance.

AVAILABILITY OF CHILD PSYCHOLOGIST

We are the first ones to have full-time child psychologists to counsel students, parents, and teachers. These sessions prove useful in handling peer pressure, distraction, etc.

MEDITATION AND YOGA

Pranayam and periodic breathing exercises are frequently practiced during college hours to handle stress and retain a calm and composed mind.

ACCESSIBILITY OF FACULTY / CENTRE HEAD / DIRECTOR

Parents can meet the faculty from 8 a.m. to 6 p.m. or during the week with a prior appointment through SMS, mail, or WhatsApp. The center head and director are also available 24x7 to address issues that need immediate redress through SMS, WhatsApp, or email.

INFRASTRUCTURE

- ◆ WELL EQUIPPED CLASSROOMS: AC-equipped classrooms with ergonomically designed, comfortable study desks facilitate learning.
- ◆ DRINKING WATER: RO facility to ensure a clean drinking water supply.
- ◆ CAFETERIA: The college cafeteria and mess serve nourishing, wholesome meals in the most hygienic conditions under the supervision of well-trained staff who ensure the planning and catering of food and the nutritional requirements of the students, duly scheduled during college hours.
- ◆ FOOD STALLS: We also facilitate food stalls.
- ◆ TRANSPORTATION: GPS-enabled transport facilities ensure a safe commute to campus and also enable team building and group discussions with like-minded, goal-oriented students, thereby ensuring productivity in academic activity.
- ◆ INDOOR GAMES: Indoor games facilities are provided in every center every day between 4:20 p.m. and 5:00 p.m. to help relieve the mental stress of students.

SAFETY & HEALTH HYGIENE

- The entire campus is under CCTV surveillance with considerable backup.
- A dedicated housekeeping team ensures the hygiene and cleanliness of the college building, including the study area, dining area, and washrooms.
- Medical emergencies during college hours will be essentially handled with due communication initiated with parents, and we will also coordinate with the nearest known and established hospital authorities if required.

DIFFERENTIALS OF OUR RESIDENTIAL CAMPUS

KEY HIGHLIGHTS

- » 15-acre lush-green campus with 6 acres earmarked for sports.
- » Only Junior College in entire Hyderabad where academic and productive work Sessions are conducted by senior lecturers.
- » Integrated coaching for the IIT-JEE/NEET and CA foundation.
- » Periodic online exam practice sessions and weekend exams are conducted (IIT-JEE Mains/Advance, NEET, NCERT, and EAMCET)
- » A parent-teacher meeting is held once every two months for more transparency.
- » A/C classrooms with limited strength.
- » A/C and non-A/C hostels with attached Washrooms.
- » Daily "Yoga and Meditation" to increase concentration, focus, and stress management
- » Separate tuck shop for all medical needs and healthy food.
- » Mandatory daily sports under the guidance of PET's to energize for maximum performance.
- » Weekly exam performance can be checked in the parent portal.
- » Weekly Special Menu for Vegetarians and Non-Vegetarians: The Best across any Junior College segments in Hyderabad.
- » Everyday campus visits by qualified male and female doctors and separate four-wheelers for medical emergencies 24x7.
- » Motivational sessions by external speakers.
- » Safe and secure campus, with 24x7 surveillance by CCTV's and trained security guards.
- » In-house psychologist for regular counseling and mental health care
- » The center head/principal resides inside the campus.†

EXCELLENCIA SHAMIRPET CAMPUS BOYS & GIRLS

DISTINCT ACADEMIC FEATURES OF THE RESIDENTIAL CAMPUS

Students learn more efficiently and sustain motivation to persevere through setbacks when they understand and use strategies that brought them prior success. They recognize and avoid those that were previously unproductive. This self-awareness, especially when engaged in learning—or, more simply put, evaluating how one thinks and learns—promotes knowledge and optimizes understanding, memory, and independent learning skills.

STAR 30

STAR 30 BATCH

Star-30 is an exclusive academic program designed to provide students with a rigorous and specialized education at the junior college level. With a limited number of spots available. Only the most dedicated and talented students are accepted into the program through a three-stage process. Through a combination of advanced coursework and personalized mentorship by academic giants, students in the program receive a comprehensive education that prepares them for success in OLYMPIADS, JEE MAINS, and JEE Advanced.

DAILY SPORTS REGIME

Excellencia takes pride in being the only Junior College in Hyderabad with a unique feature: a sprawling 11-acre sports ground. Committed to holistic development, the college allocates a dedicated one and a half hours for sports, prioritizing health, fitness, and stress relief amid academic pressures. This initiative reflects a balanced approach to student well-being.

COMPUTER LABS

These tech-rich spaces equitably accommodate more students and provide a place for students to explore, create, connect, and develop digital literacy cornerstone skills for college and career readiness.

LIBRARY: THE INFORMATION ECOSYSTEM

Our junior college library is not just a repository of books but a dynamic space catering to varied interests. Alongside an extensive collection of subject-oriented material, we provide a wealth of competition magazines and motivational books. This curated selection aims to inspire and equip students, fostering a well-rounded educational experience.

SCIENCE LABS

Distinguished as the sole Junior College in Hyderabad, our institution stands out by prioritizing hands-on learning. In Grade 11, we emphasize practicals to provide students with enriching experiences in the sciences. This approach aims to cultivate a genuine interest in scientific subjects, fostering a deeper understanding through practical application.

AUDITORIUM

Excellencia is equipped with an auditorium with state-of-the-art multimedia systems.

ROBUST FEEDBACK SYSTEM

Feedback is the backbone of any school or organization, and we at Excellencia believe in this. Monthly feedback from the corporate office and regular feedback on campus keep us informed about where the gaps are and what needs to be done. We believe in quick action and promise action within 24-48 hours.

HOSTEL LIFE & CARE

Hostel life is a total rollercoaster experience that pushes you out of your comfort zone and straps you on a memorable joyride of your life. Hostel life teaches many lessons: self-dependence, self-reliance, time management, and many more. These hostel life lessons can help our students live and thrive in any setting, in any part of the world!

ROOMS

Ventilated rooms with attached washrooms and toilets, cupboards, and an A/C facility.

WATER COOLERS WITH WATER PURIFIER

This ensures a clean drinking water supply

MESS FACILITY

The college cafeteria and mess serve nourishing, wholesome snacks and drinks in the most hygienic conditions under the supervision of well-trained staff who ensure the planning and catering of food and nutritional requirements for the students, duly scheduled during college hours.

FOOD STALLS/TUCK SHOPS

We also facilitate food stalls/tuck shops to facilitate daily requirements and medical needs.

HOSTEL WARDENS AND CARE TAKERS

They ensure compliance with the code of conduct and facilitate the hostel services for students.

STUDENT INVOLVEMENT

For operational convenience, the Mess Menu Committee, Hostel Maintenance & Cleanliness Committee, Hostel Sports Committee, Hostel Discipline Committee, and Hostel Media/Newspaper/Magazine Committee are formed. Working through these responsible bodies, the students themselves lay down appropriate norms of behavior to suit different situations and social occasions in the hostels.

IN-HOUSE MENTOR SUPPORT FOR EVENING PREPS

Evening study hours, or student self-learning time, as it is known, is a structured time where students are made to do self-learning under teacher supervision. This time is extremely important, as students utilize it to catch up with the day's learning and complete homework.

ORR EXIT 10/11

WHY SHOULD PARENTS PARTICIPATE IN FIS?

- ▶ How does a parent select the best junior college?
- ▶ Why should you send your child to Excellencia?
What distinguishes Excellencia? How do extracurricular activities, such as
- ▶ MUN and the annual sports meet contribute to students' overall development.
- ▶ Learn about our program from the Center Head/Core Team.
- ▶ Interact with and get to know the senior lecturers who will be teaching your child.
- ▶ Learn about the campus's facilities, such as yoga, daily sports, food menus, and accommodation safety.
- ▶ How are we following through on our promises?
- ▶ To become closely acquainted with our core teaching Team's teaching ideas, principles, and methods.
- ▶ To learn about the academic timetable and the many programs that will be followed, such as error analysis, homework analytics, success gap concept, student performance analysis, parent and teacher meetings, and so on.

CO-CURRICULAR ACTIVITIES

Excellencia believes in All Round development of all the Excellenciates... We are the only junior college to provide high academic standards with our blend of activities aligned with 21st-century skills.

THE OLYMPICS OF EXCELLENCIA: KHELO EXCELLENCIA

Excellencia Sports Day Event is an annual mega sports festival where all branches of Students participate with each other to win the ultimate Directors Trophy of the year. More than 1,000 students participate in more than 25 different events. It is the Olympics of Excellencia.

EXCELLENCIA IDEATION CHALLENGE

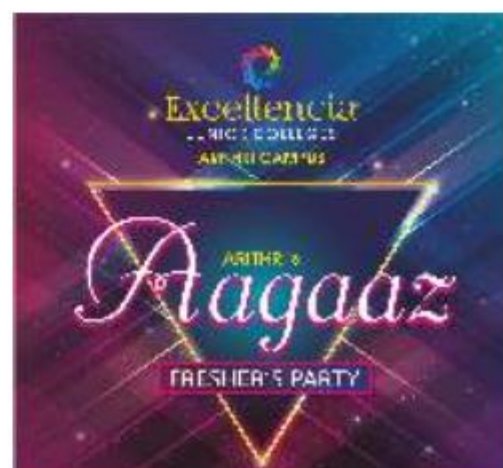

The EIC-Excellencia Ideation Challenge is a festival of Ideas. This innovative approach is meant to generate ideas and foster creativity. The goal of the challenge is to encourage young minds to come up with new ideas and solutions to the identified problems that can be implemented in the real world. In this event, students brainstorm and develop creative solutions.

FESTS: EMBRACING COLLEGIATE JOURNEYS

Freshers parties mark the exciting beginning of college life, fostering camaraderie among new students. It's a platform for introductions, fun activities, and creating lasting memories.

On the flip side, farewells symbolize the bittersweet end of a chapter, celebrating achievements and bidding farewell to departing seniors. Both events contribute significantly to the vibrant tapestry of college experiences.

EXCELLENCIA MARATHON

The Annual Marathon Run (5k and 10k) is a yearly program where more than 5000 students and 700 staff of Excellencia across all the branches participate with full enthusiasm. Marathons teach us life lessons to push our limits under high-pressure conditions.

DIRECTOR'S TALKS

Our director, Mr. Venkat Muriki himself, is involved in various academic and nonacademic activities on a regular basis. One of the most important activities is direct interaction with students. Being from a glorious academic background, his talks are always thought-provoking and motivating. An event that students always look forward to.

SAKHYAM TALKS

Sakhyam is a motivational talk series from industry or from renowned speakers from various corporate and educational backgrounds. With their academic journey at Excellencia, we understand how our students must start seeing education as a journey that can help them achieve their goals and ambitions. They must develop an understanding of the deeper purpose of education and chart progress against goals that help ignite an internal motivation and drive to succeed in students.

ALUMNI GROUP

Alumni play a crucial role in the growth and development of schools in India. They often contribute to the institution in various ways, such as mentoring current students, participating in events, and even providing financial support. Many schools maintain active alumni networks, fostering a sense of community and pride among former students. These networks serve as valuable resources for career guidance, networking, and sharing experiences, creating a strong bond that extends beyond the academic years.

CAREER FAIRS

Attending career fairs can help students understand the skills, qualifications, and experiences sought by IT and automotive companies. By interacting with recruiters and professionals, they can gain insights into the industry's expectations and identify potential skill gaps. This awareness empowers them to tailor their educational path, seek relevant training or certifications, and equip themselves with the necessary skills to stand out in the job market.

इसक्यम
TALKS

EXCELLENCIA MUN

TED STUDENT TALKS

We are thrilled that we are embarking on an exciting journey by participating in global public speaking platforms such as TED Ed clubs and TED Student Talks. Through these platforms, we aim to nurture their public speaking skills, boost confidence, provide opportunities for unique learning experiences, and empower our students to express their ideas, share experiences, and contribute to meaningful conversations on a broader stage. Your support in this endeavor is invaluable.

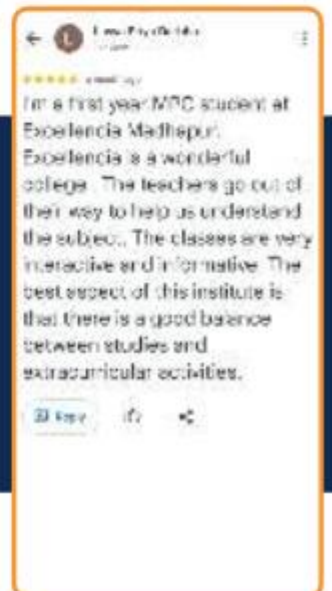

Model United Nations, commonly known as MUN, is a dynamic and interactive educational activity that replicates the workings of the United Nations. In this simulation, students step into the shoes of diplomats, representing different countries and working together to address complex global challenges. The goal is to find diplomatic solutions through negotiation, debate, and resolution drafting.

BENEFITS OF MUN

- It promotes global awareness
- Public Speaking and debate skills
- Research and Preparation
- Critical thinking
- Cultural understanding
- Leadership development
- Networking opportunities

STUDENT FEEDBACK

EXCELLENCIA INFINITUM CBSE SCHOOL, SHAMIRPET

- EXCELLENCIA INFINITUM is a world-class day and residential school, located in a sprawling green campus in Shamirpet, in the Indian silicon city, Hyderabad.
- The school, affiliated to the Central Board for Secondary Education (CBSE), has a state-of-the-art infrastructure, offering holistic education through comfortable classrooms, fully-equipped modern laboratories and sports arenas.
- The amenities in the residential wing are comparable to the best of school accommodations in the Asian sub-continent. These amenities combined with the holistic learning experiences ensure that the student finds the living as comfortable as at his/her home.

DIFFERENTIALS OF EXCELLENCIA INFINITUM CBSE SCHOOL

- 11-acre lush-green campus with 6 acres earmarked for sports, high-end next-gen labs for science robotics, and STEAM programs
- NEP-based pedagogy and foundation courses blended with the CBSE curriculum to aid preparation for the NTSE and IIT-JEE/NEET
- IIT/NEET Foundation Classes from Grade VI
- Air-conditioned class rooms with limited students per class.
- A two-story library with more than 5000 volumes of books and peer-reviewed journals
- Integrated coaching for IIT-JEE INEET and CA Foundation for Grades 11 and 12
- Top-notch faculty with an exemplary track record in teaching and test-prep
- Personalized learning with 1:1 mentoring by senior faculty to enrich individual performance.
- Error analysis after every examination and monthly student performance review
- Weekly boarding facilities are available.
- Nutritious, hygienic, and tasty food from multiple Indian cuisines is offered in the dining halls.
- Spacious living rooms with attached bathrooms.
- Bimonthly Parent Teacher Meets (PTMs)
- Safe and secure campus, with 24x7 surveillance by CCTVs and trained security guards
- Health and medical assistance by a senior doctor and an in-house nurse

INSPIRATION @ Excellencia

Through our initiative, "INSPIRATION EXCELLENCIA," we foster talent recognition and promotion within its ranks. This inclusive approach extends to both dedicated staff members and aspiring students, creating a nurturing environment that values and propels individual talents to the forefront of organizational success.

Marathons as Life Lessons

The Founder and Director of Excellencia Junior College and CBSE Schools, Mr. Venkat Murki, and his journey to becoming a fitness icon are truly inspiring. Through participation in marathons across the Indian subcontinent, including Hyderabad, Ladakh, and Mumbai, they've not only showcased endurance but also promoted a healthy lifestyle. Their commitment to fitness extends beyond running, as they actively engage in cycling regimes, setting an example for a well-rounded approach to physical well-being. Additionally, their leadership in promoting sports within the organization reflects a dedication to fostering a culture of health and vitality among the team.

"Endurance in Every Stride, Leadership in Every Step."

The Director of Excellencia Junior Colleges and CBSE School, Mr. Raghunath Verabelli, laced up their running shoes to take part in the recent Hyderabad Marathon. The inspiring move aimed to motivate not only the staff and students but the entire organization.

By actively participating in the marathon, exemplified a commitment to a healthy lifestyle and encouraged a spirit of camaraderie within the educational community. This gesture underscores Excellencia's dedication to holistic well-being and unity among its members.

Only action will define us

Hasvi Murki, an 11th-grade student at Excellencia Junior College, Hyderabad, has defied expectations since age thirteen. Conquering mountains and frozen waterfalls, this resilient Telangana native made history as the youngest girl to climb Mt. Island Peak in October 2023 at 6,189 meters. Acknowledged with "25 under 25 awards" from the Student Tribe, she received recognition from figures like Telangana's Governor, Dr. Tamilisai Soundarya Rajan, and Haryana's Governor, Shri. Bandaru Dattatreya. Achieving first place in a 10K run and the title of the youngest half-marathon runner, Hasvi passionately supports charities. Locally, she promotes climbing culture and encourages women through platforms like TEDx and Jagran Josh.

No victory is ever small, unless you endure it.

Excellencia Group promotes diverse leadership; Mr. Abilash K. Jose's marathon achievement challenges stereotypes. His journey reflects perseverance and online self-coaching supported by family. Excellencia aims to dispel myths about premier institutes, nurturing hidden talents.

Sports are vital for stress relief and boosting self-esteem. Mr. Abilash emphasizes running's contribution to holistic well-being. The institution encourages sharing success stories, considering each triumph a step toward collective success. Celebrating achievements, big or small, inspires the Excellencia family.
